BLS for Healthcare Provider Courses

All Classes subject to confirmation.

*Private classes available: please call for available dates and pricing.

Course descriptions:

BLS for HCP – New

Designed for EMS personnel, physicians assistants, doctors, dentists, nurses and respiratory therapists who must have a credential (card) documenting successful completion of a CPR course. Upon satisfactory completion you will receive your 2- Year American Heart Association certification card (subject to submission, printing and delivery).

BLS for HCP – Renewal

Designed for EMS personnel, physicians assistants, doctors, dentists, nurses and respiratory therapists who have been previously certified in BLS for HCP and require recertification card showing successful completion of a CPR course. Upon satisfactory completion you will receive your 2- Year American Heart Association certification card (subject to submission, printing and delivery).

BLS for HCP Skills Check – (Part 2)

For individuals that have successfully completed the online portion (Part 1) and have printed their certificate. Course involves motor skills testing of Adult/Child CPR, Infant CPR and AED use. Upon successful completion and submission of printed certificate you will receive your 2-year American Heart Association certification card (subject to submission, printing and delivery).

Heartsaver Courses

All Classes subject to confirmation. Please read our [class policy](#).

*Private classes available: please call for available dates and pricing.

Course descriptions:

Heartsaver CPR – available modules: Infant CPR

Designed for those who have a duty to respond to a cardiac emergency because of job responsibility or regulatory requirements. Course teaches Adult/Child CPR and relief of Choking. Infant Module teaches Infant CPR and relief of Choking.

Heartsaver AED – available modules: Infant CPR

Designed for those who have a duty to respond to a cardiac emergency because of job responsibility or regulatory requirements. Course teaches Adult/Child CPR w/Mask & Choking and AED use. Infant Module teaches Infant CPR and relief of Choking.

Heartsaver First Aid – available modules: Environmental Emergencies; CPR; AED; & Infant CPR

Designed for those who have a duty to respond to a first aid or cardiac emergency because of job responsibility or regulatory requirements. Course teaches how to manage illness and injuries in the first few minutes until professional help arrives. Includes: General Principles & Medical Emergencies. With optional Environmental Emergencies Module. CPR Module Adult/Child CPR and relief of Choking. AED Module teaches AED use. Infant CPR module teaches Infant CPR and relief of Choking.

Family & Friends Programs

All Family & Friends courses – please call to find out which course will suit your needs best.

Designed for family members, friends and members of the general community who want to learn CPR but do not need a course completion card.
